

## Music Bee

- A guess the music type of game where in you will fill in the missing lyric of the song shown in the screen of your mobile device. The songs that will be questioned will be from Philippines or the OPM – Original Filipino Music.

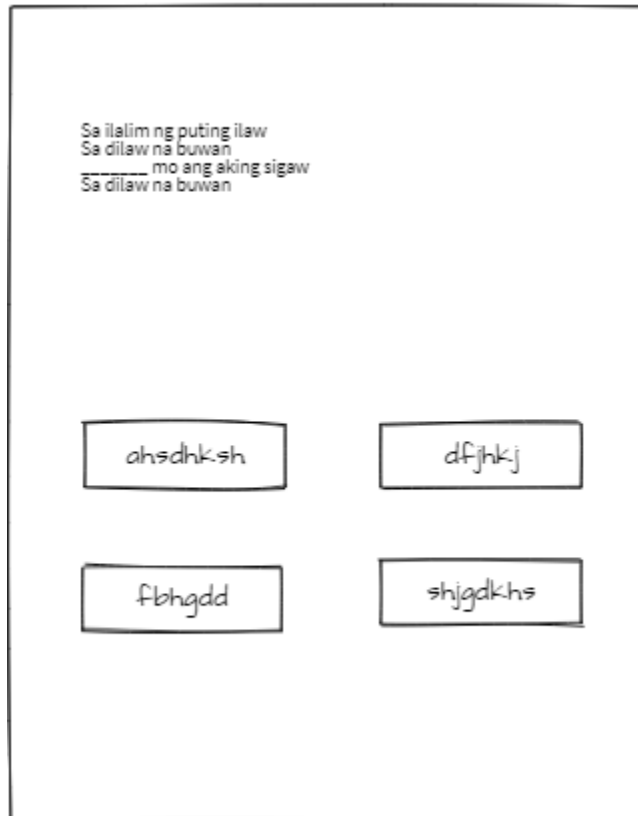

## Wireframe:

-

Mock-up:

- This is the example of the game app, it will show some lyric of the OPM song then there will be four buttons but there's only one correct answer in it.

The mock-up shows a rectangular frame containing the following elements:

Lyric text:

Sa ilalim ng puting ilaw  
Sa dilaw na buwan  
\_\_\_\_\_ mo ang aking sigaw  
Sa dilaw na buwan

Four buttons arranged in a 2x2 grid:

- Top-left button: ahsdhk.sh
- Top-right button: dfjnhk.j
- Bottom-left button: fbhgdd
- Bottom-right button: shjgdkhs

Prototype:

- This will be the output of the game. There will be a lyric then some part/s will leave a blank then you need to guess what lyric/s are missing below then click the correct answer.
